Dear Mr. Charles M. Scoggins Jr and Ms. Amy P Scoggins,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2018-358-WS - Verified Application of Carolina Water Service, Incorporated for Approval of Annual Rate Adjustment Mechanisms and Petition for an Accounting Order to Defer Expenses

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a Blue Granite Water customer.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I feel like I am a hostage to this water company. We aren't given another option, but rather must submit to their outrageous fees, poor customer service, and incompetence in handling this utility.

I am absolutely opposed to any increase in rates and am against an Annual Rate Adjustment Mechanism. The company doesn't handle the current financial fees with care, why should we give them additional fees and we certainly should award them with the privilege of an annual rate adjustment mechanism.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

I would like to be present, but do not have a need to speak or offer testimony unless it is needed of me.
